

Help me get to the finish line in the

COLOR FUN RUN

I'm helping raise funds to reach the Beverly Woods Elementary PTA goal of **\$60,000**:

From October 18 – November 12 my school is raising funds. On November 12th I will run in the **COLOR FUN RUN**, having fun with my classmates while showing our support for our school:

How can you help my school? The fundraiser helps us with things like:

- Programs for cultural arts, math, science and literacy
- Paideia training for teachers to aid in rich classroom discussion
- Beginning of year start-up expenses to create engaging classroom environments
- Grounds & facilities improvements
- Staff appreciation
- And our goal with this year's campaign... an outdoor classroom!

Every donation helps us meet our goals!

You will need this information to fill out the donation form:
