    7. New guest teacher starting – basically a permanent substitute to fill in holes
    8. Tiffany Hunt – any loosening of volunteering in person? More than 1 person in classroom? – With cases decreasing, would like to loosen but still waiting, loosening is the goal
  
  - B. President’s Report – EMILY CHANDLER
    9. Update on Committee spreadsheet – still missing details on a couple of rolls, please go into spreadsheet and fill out asap
    10. Committee Volunteers- Must be PTA member, need to bring up membership, historically low, will send out request again and will send a list of members thanking them
      1. Tiffany Hunt – general PTA meeting? People feel disconnected
      2. Lauren Lewis – need to clarify what membership is and what you do, you aren’t tied to doing anything – just support
      3. Can we make it easier at in person events? “Buy a shirt and do you want to be a member for \$5 more?”
      4. Have a separate membership table?
      5. Requesting ideas be sent via email

2. Beautification- confirm date for Spring clean up day and mulch (Quinn Nash)
3. Chess Club update – tremendous response, 70+ kids in program, split into 2 days to accommodate, Charlotte chess club divides into group, teaches and then lets kids play, think about adding additional days in the fall
4. Boys' Day planning-Bowling 3/20, Robin Bookmiller: orking with Spare Time in Pineville, estimating 300 people divided by age group, off campus we will follow their covid protocols
5. Girls' Night planning- “Light up the Night” Glow Party 3/26, Hope Hart – face tatoos, glow sticks, black lights, will split up, working with the Y to use Airnasium, use trash cans and tables from school, DJ and dancing with games, more details to come
6. Science Fair- Lisa Wilfong: tentatively scheduling for beginning of May, working on a modified version, maybe just do grades 3-5?, don't want to add to teachers responsibilities, maybe no voting this year and just do a science celebration where kids present, etc but no judges, reaching out to other schools to see if they have held one this year, doing it during specials will be the easiest way to implement per Mr. Bell
7. Hope Hart – can we implement a parent social next year? Parents to meet other parents for PTA members only, gives incentive to join

- Tiffany Hunt – open feedback, parents are feeling disconnected, room parents feeling overwhelmed with asks from teachers and PTA, financially parents are feeling tapped out, we need to be more mindful of how we ask for donations, I think we are going to burn out all the parents that have many years
